V42	Value pack 4 x large	£14.25
SVP4	Small (super value 3 pairs)	£20.95
SVP6	Large (super value 3 pairs)	£20.95

SHOE INSERTS

For further advice on choosing an orthotic please call us on 0800 1777 734

Prolyne silicone insoles and supports create superb relief for painful feet providing shock absorption and cushioning.

Gel Lined Insoles

Full length insole to fit all types of footwear. Ripple design over metatarsals and heel helps to alleviate pain by reducing pressure and impact while walking.

FL1	Cut to size	£14.50
-----	-------------	--------

prolyne Ventilated Insoles

100% silicone ventilated insoles which help prevent pain on the ball of the foot (Metatarsalgia).

H4	2-3 (per pair)	£11.50
H5	4-5 (per pair)	£11.50
H6	6-7 (per pair)	£11.50
H7	8-9 (per pair)	£11.50
H8	10-11 (per pair)	£11.50
H9	12-13 (per pair)	£11.50

Pressure Relief Insoles

Microcellular rubber material absorbs shock from sole and heel strike. Cut to size.

C57	(Per pair)	£8.50
V61	(Value pack 2 pairs)	£15.95

New orthotics should be worn 2-3 hours a day for a few days to establish a comfortable fitting.

If your shoe has a removable insole replace with your new Orthotic.

Laced shoes or trainers will always be preferable.

SHOE INSERTS

prolyne 1/1

Made from two different densities of silicone to give greater cushioning and achieve reduction of pain in the metatarsal region, heels, hips and knees.

SHOE ORTHOTICS

To see our full range of orthotics with detailed description visit www.footcaresupplies.com

Langer Bio-advanced

Langer Bio-Advanced is a range of superior EVA insoles available in low, medium and high densities both in full and ¾ lengths. **Low density** – Provides durability while offering moderate control and high levels of shock absorption.

Medium density – An all round device offering medium support, control and shock absorbency for sporting and everyday activities. **High density** – Firm and hard wearing for maximum control and correction. All these insoles offer excellent biomechanical support with the following characteristics:

Low density

Medium density

High density

- 4 degree intrinsic rearfoot support
- Contoured arch support
- Metatarsal support
- Antimicrobial top cover
- Trim lines on full length insoles

State density (low, medium or high), shoe size and product code when ordering.

XS (3-4.5), S (5-6.5), M (7-8.5),
L (9-10.5), XL (11-13)

LANFL Full Length	£49.95
LANHL ¾ Length	£48.95

Full Length Bio-Soft & Bio-Soft Plus

Larger Bio-Soft and Bio-Soft plus are dual density cushioning polyurethane insoles. The Larger Bio-Soft insole integrates a wipeable polyurethane top cover, whilst the Bio-Soft plus insole is finished with a memory foam top cover. Delivering incomparable levels of comfort and shock absorbency make Bio-Soft perfect for use during sporting activities with Bio-soft plus providing additional cushioning. The devices incorporate two 'soft spots' to offload the most vulnerable areas of the foot, making them perfect for rheumatoid and diabetic patients.

Bio-soft

Bio-Soft Plus

Incorporates a memory foam top cover for a custom contoured fit

- Perfect for patients with 'at risk' feet
- 4 degree intrinsic rear foot support
- Calcaneal (heel) soft spot
- Contoured arch profile
- Forefoot soft spot
- Shock absorbing polyurethane

State product code and shoe size when ordering.

XS (3-4.5), S (5-6.5), M (7-8.5),
L (9-10.5), XL (11-13)

LANFLBS	Bio-Soft	£48.50
LANFLBP	Bio-Soft Plus	£49.50

Footactive Orthotics

TERMS & CONDITIONS

WHO WE ARE

Foot Care Supplies is the trading name of Robert Howden (Southend) Ltd., a private company incorporated in 1971 with registered offices at 195 St Mary's Lane Upminster Essex RM14 3BU Company registration No. 926189.

SUPPLY

For all deliveries within the UK we endeavour to process all orders on the first working day after receipt and despatch the same day by Royal Mail or courier. You will be notified of any items out of stock and advised of the expected date for delivery. You may cancel any out of stock items and be refunded their cost. Please notify us if your order has not arrived within reasonable time when we would normally replace it but we reserve the right to wait up to 15 working days after the expected delivery date.

A charge of £3.75 is added to all orders to cover the costs of processing, packaging and delivery. Orders over £50 are delivered free of this charge.

Foot Care Supplies web pages offer for sale products to be used by customers for the self treatment of foot problems. We do provide an advice service to explain the use of our products but if you require clinical advice or have any doubt about the use of any of our products you should obtain this help from your practitioner.

RETURNS

Under The Consumer Contracts Regulations 2013 you have the right to a cooling off period of 14 days from receipt of your order. If you change your mind and no longer require the whole order this may be returned within 14 days of receipt for a full refund of the product price. You must notify us by telephone and/or in writing of your intention to cancel the whole order. You must return all of the goods unused as received including advice note with postage paid by yourself and we would advise you to obtain at least a certificate of posting as proof of despatch. We are obliged to refund you within 30 days of receipt of your return but it is our normal practice to make this refund as soon as possible.

If you need any further information you may obtain this by telephoning customer services on 0800 1777 734, by writing to us at Foot Care Supplies, 94 Willingale Way, Southend on Sea, Essex SS1 3SX or by email to info@footcaresupplies.com. Complaints should be similarly addressed.

We pride ourselves on our customer services and will be pleased to exchange or refund any goods you do not require as long as they are unused and in their original packing. Please notify us of your intention by telephone or in writing and include with your return sufficient written information to fully action your request. We will refund you the postage for the return of defective goods or for our mistakes to your order. Otherwise you will be responsible for the payment of postage for your returns.

Our sales and returns policies do not affect your statutory rights.

Returns

See our terms and conditions
or phone 0800 1777 734

Your legal rights

When you buy goods from
a business, in law you have a
number of rights as a consumer.
These include the right to
claim a refund, replacement,
repair and/or compensation
where the goods are faulty or
misdescribed.

Our policy

In addition to your legal
rights, we also allow you to
return goods if you simply
change your mind. Please
return the unused goods to
us with the original advice
note within 14 days and we
will offer you an exchange,
credit note or a refund
to the value of the goods.

Before you send us your order...

**Have you completed all sections of the order form?
Have you added delivery? Have you added your name and
address on the back of the cheque? Have you signed and
dated your cheque? Please return to:**

94 Willingale Way, Southend-on-Sea, Essex. SS1 3SX

☐
☐

I enclose a postal order/cheque for the full amount payable to Foot Care Supplies.
Please send me an extra Foot Care Supplies Catalogue for a friend.

footcareTM supplies

Call one of our staff on the Foot Care
Supplies Helpline. There's a podiatrist on
hand to answer any foot related questions!

Helpline 0800 1777 734
